GOTHIC

1982

Brighton High School
Boston, Massachusetts

THIS IS IT!

This is the time for celebration.

This is the time when we face the future.

This is the time of recognized achievements and honor.

This is the time to remember the four years that we've spent at Brighton High School; years of fun, change, adjustment, and growth.

This is the time to use the tools we've acquired to build bright futures for ourselves, and, in years to come, when we look back, we know that we will be proud to be graduates of Brighton High School.

SPORTS

FOOTBALL

The 1981 Bengals suffered through a most frustrating year, showing only a tie for their ten games. The offense was effective from the twenty to twenty but Brighton had great difficulty scoring. The most talked about, however, was the Bengal defense, which allowed only 2.4 yards against the run. Captained by cornerback James Adams and end Ed Power, the Brighton squad showed formidable poise against some of the most potent District League high-powered offenses.

Safety Don Grady doubled as an explosive kick returner and along with Adams was selected All-League. Reggie Moore was a reliable middle linebacker; Warren Norris anchored the other defensive end slot with Ed Power: and Josh Evans proved a fast coming interior lineman. Other seniors who were vital to the defense were Joe Lee, the most versatile athlete on the squad, Big John McNichols a devastating tackle, and Avery Poole who played three defensive positions effectively.

ON THE BALL

CHEERLEADING

The cheerleaders, this year as in the past, have cheered our boys on to victory in both good weather and bad. Unfortunately, some aspects of cheerleading are not as gamorous as they seem. These aspects include long hours of practice, as well as cheering in the rain and snow. But through all the unpleasantries, the girls came through smiling. The squad was led by Captains LInda Vieira and Patty Cusack and included Anita Clarke, Stephanie Powers and those below.

SOCCER

This year's team had a slow start. During the second half, the team lost 1, won 5 and tied 2 ending the season with a record of 5 wins, 4 ties and 5 losses. Coach Bennett said that next year's team is going to be the one to beat. The most out standing players were Luis Roldan, Hung Nguyen, Kim Nguyen, Kausu Sheriff, Dung Nguyen, Ty Nguyen, Ed Slavin, Victor Delgado, Ivan Mendoza.

VOLLEYBALL

The team ended up the season with only a few wins. However, the season was played out well by the team consisting mostly of seniors. Although they didn't win many games, all the members admitted that they had a great time playing volleyball. The team consisted of the two captains, Sharon Clark and Helen Kokovidis. Seniors Jackie Chase, Kathy Crawford, Adrienne Dixon, Price Alexis, Sherrie Scott, and Junior Milria Posados. Coach Barr enjoyed working with them.

INDOOR TRACK

Division champs at 8-0 the track team posted one of the finest records in the history of the school. The quest for the District Division Title saw many close and exciting dual meets. Three of the eight meets were decided with victories in the last event, the relay. The running strength of Nick Josey, Norman Evans, Warren Norris and Tommy Pearson. To arrive at the point where the relay team could settle the outcome of the meet, a great deal of hard work by the rest of the team was there. Senior Capt. Ed Slavin proved to be a consistent winner in the long distance events. Seniors Ricardo Griffith, Warren Norris, Jonathan Edge, Al Key, and Josh Evans performed well during the entire season. Senior Adrienne Dixon dominated her field throughout her four years of running.

HOCKEY

The 1981-1982 hockey season can be recapitulated in one word — inexperience. Despite this obstacle, the rebuilding has begun. Junior Mark Repta, sophomores Kevin Kwok, Steven Anastos, Jorge Figueroa, and freshman Robert McLaughlin and Hawey Tiomkin are the nucleus of the future. They will have learned through experience.

The team had three seniors; Jerry Tehan, Ed Power and Robert Jelley. One could not have asked for, nor received, more than they gave. They worked hard and they sacrificed a great many personal glories to help the team. They accomplished that goal.

BASKETBALL

The 1981-82 Bengals endured a rough 6-12 season yet most of the losses were by less than five points. Included among these heartbreakers were a 105-101 overtime drop to West Roxbury in which Juniors Ellis Mosley and Rob Alexander scored 38 and 29 points respectively and two four point losses to league champion Boston Tech. Captain David Herndon steadied the defense with his 6'6" frame. His intensity in rebounding and his power points resulted in Brighton being competitive against some overwhelming competition. Senior Jeff Williams provided capable leadership at the point guard while quick James Adams gave the Bengals a respectable sixth man. Other contributors to the Bengal cause were Anthony Scotthobbs, Ken Coleman, and Rob Sims.

BASKETBALL

After losing two early games, the Brighton High Women's Basketball Team came back to win its final 8 games, and clenched the Boston Division 1 League with a record of 10 wins and 2 losses. The team has for the second year in a row qualified for the City and State tournaments. The nucleus of this year's team consisted of the four seniors who developed as players under three years of coaching of Ms. Johnson. Their fourth year Mr. Gerald Howland led them to another shot at the City and State titles. The team was led by quarterback Sharon Clark, high scoring forwards Jacqueline Chase and Brenda Henderson and defensive specialist Judy Bell. Also making major contributions were juniors Lisa Bell and Alicia Caldwell. Sophomores Marcella Scott, Kim Wheeler, Sheila Cooper and league leading rebounder Lisa Peddy.
